December 2007

Dear Members,

We hope you all had a Merry Christmas and wish you all a Happy and Prosperous New Year. Thank you for your support to the society in 2007 and we look forward to seeing you all in 2008 at the various events in the society.

33 members and guests attended the St. Andrew's Night Ceilidh 8th December and as always we had a really good evening at the Faroese House. The buffet was marvellous and very tasty. One of our members Mark Nicol from Århus gave a tune on the pipes and there was a dance display from the dancers. Yirdy Machar had to cancel due to illness and we wish him all the best for a speedy recovery. Neil Stanford kindly stepped in for him and did a very good musical performance on his guitar as well as singing and there was a chance to join in on the chorus.

Dr. Roy McOwan, who has been a faithful and supportive member of the society for a great many years was appointed Honorary Member and received a small token from the society.

For a change a table seating plan was made because of several members attending on their own. This was a very good idea and thank you to Lise Rindel for her effort of making the seating plan a successful one. Just before finishing the evening with Auld Lang Syne, Happy Birthday was played as one of the members had his birthday on the night and another member had her birthday the day after.

Thank you very much to everyone for attending and making the evening a great and jolly one.

The first event in 2008 will be an informal pub-evening on

Monday 7th January 2008 from 19.00

in Murdoch's Pub, Bredgade 37, 1260 Copenhagen K

We do hope many of the members will turn up . You can get a meal at a reasonable price as well as several different drinks. Please come along and bring some of your friends as well.
